

MSU-BSU Capital Campaign

Impacting lives, one at a time!

Help us build for the future!

"Jim and I are investing in the "Brick by Brick" campaign by purchasing three bricks for our children - future Bulldogs James, age 3, and Audrey, age 8 months, and one in memory of our little boy, Wesley. By buying bricks in support of the new BSU Center, we are helping to prepare the place where not only James and Audrey will learn to know Christ more, but also every student that enters the doors of the BSU. We challenge you to invest in your children's and grandchildren's future by contributing to the "Brick by Brick" campaign," states Bonnie Barker Chapman.

Brick by Brick Option

For \$500, an engraved BRICK can be purchased. The money can be given at once, yearly, monthly or over a three year period of time. The donor needs to submit up to 3 lines of text with a limit of 13 characters per line. Examples: name, class, in honor, in memory, or we met here. The bricks will be used in walkways in the landscape around the BSU Center. The bricks and layout will be similar to the MSU Walk of Honor on the historic MSU Drill Field.

As a token of appreciation, any person who gives a minimum of \$500 to the BSU Building Campaign in a three year period of time can request a "Brick" that can be engraved. One must request this brick by notifying the BSU Office in writing. Submit up to three lines of text with 13 characters per line. Bricks will be used in the walkways and landscape.
